Quotation Form

For the supply of electricity to a Fixed Term, Fixed Price Site

- These quotation details apply where you are using the electricity wholly or mainly for a non-domestic purpose.
- These quotation details do not form part of a contract between your business and British Gas Lite
- This quotation will be passed on to British Gas Lite to enable the sending of an offer for the supply of your Electricity. If you accept that offer by following the instructions set out on your online account, you will enter into a contract with British Gas for the supply of your Electricity.
- The offer you receive from British Gas Lite must be accepted within 28 days from the date on which you receive the email containing a link to the online account management system. Please check your junk mail and contact your broker if you have not received an email within 7 days of sending this to us to confirm that the offer has been sent.
- The offer is dependent on the following conditions being met for the full duration of the contract. Non adherence to these conditions could lead to cancellation of the contract:
 - You will require a fully communicating smart meter upon your supply transferring to Lite. If you haven't got one, we will attempt to install one for you free of charge when you are on supply with Lite.
 - You will need to pay your bills monthly by variable direct debit.
 - You will need to manage your account through Lite's online account management system.
- I confirm that the information I have given is correct and complete including the VAT certificate (if applicable).
